

Section 1.13 Subcontractor Information – Summit Health

(a) Complete name of the Subcontractor or joint venture

Summit Health

(b) Complete address of the Subcontractor or joint venture

27175 Haggerty Road
Novi, Michigan 48377

(c) Type of work the Subcontractor or joint venture will be performing; and

Biometrics screening services

(d) Description of the work to be performed by the Subcontractor or joint venture, including all rights and responsibilities regarding performance and payment.

Biometrics screening services will be provided in partnership with Premera Blue Cross Blue Shield of Alaska's affiliate Vivacity. However, as the State's main contract will be signed with Premera Blue Cross Blue Shield of Alaska, subcontractor rights and responsibilities regarding performance and payment are the responsibility of Premera.

An Offeror's failure to provide this information may cause the State to consider the proposal non-responsive and reject it.

During the term of the contract:

(1) the State reserves the right to require the replacement of a Subcontractor or joint venture.

Premera acknowledges.

(2) the substitution of one Subcontractor or joint venture for another, whether initiated by the State or the Contractor, is subject to the written approval of the Project Director.

Premera acknowledges.

Any services provided by any subcontractor or joint venture performed in the state require a valid Alaska business license.

An Alaska business license will be obtained shortly after notification of account award to Premera, as directed by the implementation manager on the account team.
